

San Miguel Consolidated Fire Protection District

Accepting applications for the position of *Reserve Firefighter*

Filing deadline: October 9th, 2033

What is a Reserve Firefighter?

A reserve firefighter is an auxiliary position with the San Miguel Consolidated Fire Protection District. It is an opportunity for those interested in a fire service career to get invaluable hands-on experience while giving back to the community. Participation as a reserve neither implies nor guarantees an offer of employment with the San Miguel Fire District.

Reserve Firefighter Duties

After successful completion of the reserve academy, the reserve firefighter is expected to continue personal growth through required monthly training classes, training assignments and ride-along experience. During the ride-along shifts they have the opportunity to be part of an engine company and experience, firsthand, firefighting, medical aids, rescue calls and other public service activities. Reserve firefighters also gain experience through participation in fire prevention and fire education programs.

Training

Each reserve must successfully complete the Heartland Firefighter Academy which consists of both classroom instruction and manipulative practice. Academy instruction is scheduled to last 12 weeks from January to April, 2014.

- ◆ The 488-hour academy includes classroom sessions on topics such as firefighter safety, equipment operation, fire extinguishers, forcible entry tools and techniques, lifting and hoisting equipment, fire hose, hose nozzles and fittings, hose evolutions, ladders, breathing apparatus, fire control, fire prevention, and more; plus manipulative classes giving recruits the opportunity to practice skills taught in the classroom.
- ◆ Recruits must pass weekly training evaluations by assigned instructors.
- ◆ Recruits are expected to be present at each of the required academy training sessions.
